

**REMARKS**

In a telephone conversation with the Examiner on July 17, 2006, it was indicated that claims 1-27 were allowable. Claims 28-31 would be subject to restriction. Applicants indicated that they would treat the telephone conversation as an oral restriction requirement. Applicants have cancelled claims 28-31 to overcome the restriction requirement but reserve the right to file a divisional application on these claims.

In view of the foregoing, it is believed this application is in condition for allowance, the notice of which is respectfully requested.

Respectfully submitted,

/Raymond L. Owens/
